Anna Wintour's Quotes' to Inspire You Towards Success.

- It's very important to take risks. I think that research is very important, but in the end, you have to work from your instinct and feeling and take those risks and be fearless. When I hear a company is being run by a team, my heart sinks, because you need to have that leader with a vision and heart that can move things forward." Anna Wintour
- "We have to reflect the world that we live in. It is so important for designers not to run scared, and not to be too worried about what's safe and what's commercial." Anna Wintour
- "It's very important to me that I look good when I go out publicly. I like looking at my clothes rack in the morning and deciding what to pick out. I enjoy fashion." Anna Wintour
