## Morning of Ernest Hemingway

- **Wakes up early in the morning**

Ernest Hemingway is an early riser, he says that his eyelids is sensitive to light and he has a very light sleep. waking up early makes him feel fresh and productive for his work.

- **Starts writing a novel**

He had a unique habit of writing article while standing, he use to writes article without chair. He conveyed that, he wake up in the morning and his mind starts making sentences, and he have to get rid of them fast—talk them or write them down.

*(When I am working on a book or a story I write every morning as soon after first light as possible. There is no one to disturb you and it is cool or cold and you come to your work and warm as you write. You read what you have written and, as you always stop when you know what is going to happen next, you go on from there.)*

## Afternoon of Ernest Hemingway

- **Lunch time**

After writing his thoughts on paper, he takes his lunch with his family. This moment is refreshing and power up moment for him. As he eat his lunch, and simulateously assumes and forms the next story content.

- **Completes his Work**

After having his lunch, he completes his pending work. He kept track of his daily word count on a large cardboard chart on his wall.

*(“The numbers on the chart showing the daily output of words differ from 450, 575, 462, 1250, to 512, the higher figures on days Hemingway puts in extra work so he won’t feel guilty spending the following day fishing on the Gulf Stream,” according to Plimpton.)*

## Evening of Ernest Hemingway

- **Extra curricular activities**

In evening after finishing all his targeted work, he do some of different kind of activities depending on his mood.

- **Dinner**

He have his dinner early in evening. Dinner plays an important role for making his mind mentally fit. As mental fitness is greater in his aspect.
