

John McPhee Daily Routine in 2022

written by Sharu | January 2, 2022

Passion has retirement and John McPhee is the best example for the quoted sentence, 90 years and still writing, teaching. This shows his love and passion for writing. He manages to teach as well as to write, he believes that taking time out of his writing to teach actually gives him the energy to publish more works, a symbiotic relationship. Let's take a look at his daily routine and some facts about him.

Who is John McPhee?

- John McPhee is an American writer.
- He is known as the pioneer of creative non-fiction.

Daily Routine

Mornings of John

- **Bicycle**

As soon as waking up from his bed in the morning, he goes for cycling, even at the age of 90. He says that cycling is a beautiful distraction and is a good exercise. He just loves doing that.

Afternoons of John

- **Leisure**

It's usually the fear that spurs him into action, despite starting his day in the morning by 9, he does not do anything till late in the noon.

Evenings of John

- **Writing**

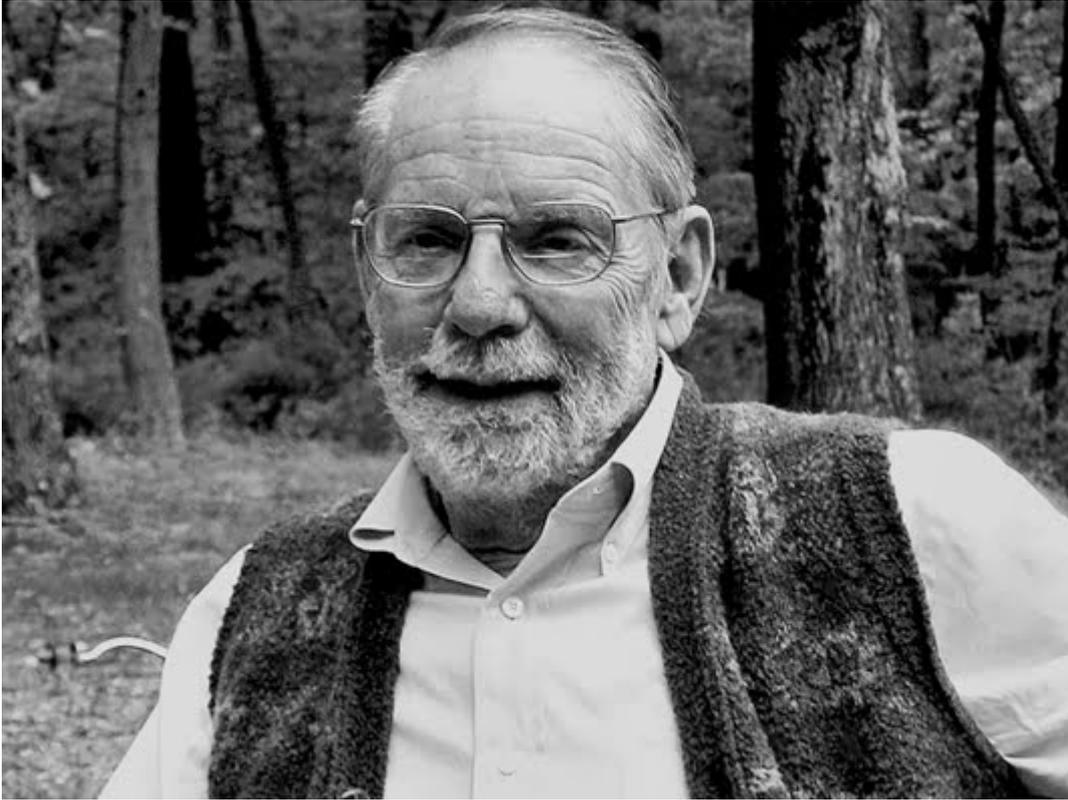

He day starts in the evening, he kick- starts his writing around 5 in the evening and it would go on till 10 pm in the night. He says that he is moved by panic and that is what pushes him to do things.

John McPhee’s Quotes to Inspire you Towards Success

- If you free yourself from the conventional reaction to a quantity like a million years, you free yourself a bit from the boundaries of human time. And then in a way you do not live at all, but in another way you live forever.
- If by some fiat I had to restrict all this writing to one sentence, this is the one I would choose: The summit of Mt. Everest is marine limestone.
- If by some fiat, I had to restrict all this writing to one sentence; this is the one I would choose: the summit of Mount Everest is marine limestone.
- In six thousand years, you could never grow wings on a reptile. With sixty million, however, you could have feathers, too.
